

Emergency First Aid at Work Refresher - E-Learning

Course Aim

The course aims to remind delegates of their first aid duties in between their practical training. It will refresh their knowledge on how to assess a situation and circumstances to act effectively in an emergency as well as how to administer CPR and use an AED.

Available in over 35 languages

Our courses are machine translated* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

**Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*

Agenda

The course modules cover:

- The Primary Survey
- The Secondary Survey
- First Aid Treatment

Certification

Delegates will receive a HSS printable certificate in Emergency First Aid at Work Refresher upon completion of the course.

This course is approved and accredited by CPD.

Who Should Attend?

This online training course has been designed to refresh delegates knowledge about the role and responsibilities of an emergency first-aider. It is suitable for all levels of delegates working in any industry.

Course Duration

This is a 50 minute course.
